AUTHORIZATION FOR WALKING FIELD TRIPS (Blanket Release)

I give the Pleasanton Unified School District Kids Club Program permission to take my child, _____ on walking field trips. I *understand* that I will be given a special field trip release form to sign whenever my child is to be transported by school bus to a planned field trip or event. This form gives my authorization for my child to participate in occasional walks that might be part of the curriculum plan on a particular day. I understand that Kids Club Staff will accompany my child on these walks, and that I will be notified in advance.
